

WRH50106 - Diploma of Hairdressing Salon Management

Course Code 061274B

Course Objective

The Diploma of Hairdressing Salon Management has been designed for owners or managers who wish to develop their skills and knowledge in relation to the service and sales delivery of a functioning hairdressing salon.

Likely functions in the hairdressing industry for those who achieve this qualification may involve managing a salon and employing staff. Duties may include working as part of a salon team and coordinating salon team/s. Functions at this level include the self-directed application of a broad range of knowledge and skills, and the provision of leadership and support to colleagues through the development and management of human resource development initiatives. The salon manager at this level may focus on building the business, leading and developing the team, developing and implementing marketing activities, and ensuring all occupational health and safety requirements are maintained.
