Course Description
This qualification reflects the role of skilled senior hairdressers who use a range of highly developed sales, consultation and technical skills and knowledge to provide a broad range of hairdressing services to clients. These senior hairdressers provide specialist services in one or more areas including haircutting, design, colouring and complex colour correction, trichology and chemical reformation. They work independently and many hairdressers at this level provide technical leadership, training and support to team members.

This qualification provides a pathway to work as a senior hairdresser in a salon environment, a freelance session stylist or a technical advisor in product companies.

Please note about Role of Agents in Recruiting Students: Prospective students may contact Australian Institute of Technical Training (AITT) directly, or the contact may be through an Agent. In all cases the student is provided with all relevant information by AITT, and the complete enrolment process is conducted by AITT. Where an Agent is involved, the Agent’s sole role is to introduce the student to AITT. The Agent has no role or responsibility in determining the student’s eligibility for the relevant qualification or in advising the student on the most suitable course for the student to undertake.
