Course Description
This qualification applies to individuals who possess a sound theoretical knowledge in the Printing and Graphic arts industry and are responsible for production workflow.

They analyse and evaluate information from a variety of sources and are involved in planning, scheduling and the supervision of labour, machines, and materials for production. They provide leadership and guidance to others with responsibility for the output of others.

Students’ Testimonials
I chose to study the Diploma of Printing and Graphic Arts (Digital Production) at AITT because of the course structure. It’s a very practical course; not only are we learning about designing, we are also gaining knowledge of how to put our training into practice in the design world as well as in the printing industry.
